Award Citation

June 21, 2006

The Florida Keys Council For People With Disabilities is pleased to present its award for outstanding service to disabled persons in Monroe County to **Sandy Molina**.

This award recognizes her steady contributions in her role as Secretary/Treasurer for this Council since May of 2003. During this period, she has been largely responsible for the smooth operation of this Council, and the success of three educational seminars and ADA birthday celebrations. Her quiet, skillful efforts have made the organization and execution of these outreach efforts a reality.

In our Council with blind, physical and hearing impaired members, she frequently serves as the person who keeps the whole thing together by acts of kindness.

Her patience, ability and energy have inspired all who know her.

On behalf of the 17,000 disabled citizens of the Florida Keys this plaque is presented to Sandy Molina with sincere gratitude for her compassionate and dedicated service.
